HANDICAP ADJUSTMENT CHART 20

VERSION CONTROL 21

The Club Symbol

Our Club badge, a bell crossed by a golf club, is symbolic of the raison d'être of the 'NOMADS' -

through golf, the remembrance of others.

It is printed in the renowned extract from the Meditations of John Donne (1573-1631):

**'No man is an island entire of itself;
Every man is a piece of the continent, a part of the main;
Any man's death diminishes me because I am involved in mankind.
And therefore, never send to know for whom the bell tolls, It tolls for thee.'**

RULES OF PLAY

'A Club is an Association of Good Fellows meeting together for a certain purpose.'

Samuel Johnson

NOTE: Throughout these Rules of Play, where reference is made to handicaps this refers to the Nomads Base Handicap which is the maximum that a player can play off at a Nomads game, as calculated from the player's Handicap Index adjusted to cater for an average SLOPE-rating factor.

1. GENERAL RULES

- 1.1. Every round of golf shall be based on Medal-Stableford play (i.e. the round is played 'flat against the course' and the player's handicap is added in full afterwards to make up the player's SCORE - Definition).
- 1.2. The Standard NOMADS score for an individual round shall be taken as 30 points (see handicapping - Rule 2).
- 1.3. The score of all partnerships, combinations, etc., shall be calculated by summing the individual scores of the participating players.
- 1.4. No assistance shall be given to a partner at any time including during the play of the Gary Player Competition, except as provided for in Rule 7.15.
- 1.5. Players having a handicap of 18 or less shall discontinue play and pick up their ball when they have played one stroke more than par for that hole. Players playing off a handicap which is greater than 18 shall, on those holes that they are permitted a double stroke, discontinue play and pick up their ball when they have played two strokes more than par for that hole."
- 1.6. The following Rules of Play in NOMADS shall apply at all times. Violation of any of the Rules 1.6.1 and 1.6.2 shall convey a penalty of two points at the discretion of the Committee.

1.6.1. SHORT HOLES

If none of the players whose balls are all on the green have commenced putting by the time the players following are on the tee, the former shall allow the latter to play their tee shots before commencing to putt, provided that the Executive Committee of a Club may waive compliance with this rule if it deems fit.

1.6.2. SLOW PLAY

If a fourball is still on the tee of a par 4 or 5 hole at a time when the hole is clear of preceding players, all members of the fourball may be penalised individually except where a player has to return to the tee to play another ball.

1.6.3. SPEED OF PLAY

All games shall be played at the optimum speed and using the principles of Ready Golf with due consideration for the safety of other players and the etiquette of golf.

An extensive search for a ball shall be made only by the player losing the ball, assisted by his caddy.

1.6.4. FORWARD TEES

The use of Forward Tees at any Nomads' Club monthly meeting is permitted subject to the following:

- 1.6.4.1. Members desirous of playing off Forward Tees are required to apply to their Nomads Club for authorisation to do so. Permission shall be granted to any Nomads Member provided that they have reached the age of 65 and normally play off Forward Tees at their respective home Clubs.

1.6.4.2. The Nomads Club handicap of any Member who has been granted permission to play off Forward Tees shall immediately be adjusted downwards by a once-off cut of 2 shots.

1.6.4.3. Any Nomad having been granted permission to play off Forward Tees at Nomads games shall be entitled, on a once-off basis, to apply to his Member Club Committee for authorisation to revert to playing off Normal Tees at Nomads games.

Such player having reverted to Normal Tees may subsequently request permission to play off Forward Tees once again.

Such change will then be immutable.

Where National Tournaments, Anniversaries games, Inter-Club games, Gary Player Knock- Out games and the like are concerned, it is up to the organising committee to decide on the course set-up and whether the use of Forward Tees is permitted.

2. HANDICAPPING

2.1. CLUB MONTHLY MEETINGS

2.1.2. There shall be three handicap divisions, namely:

'A' Division - up to 8

'B' Division - 9 to 14

'C' Division - 15 to 25

Except in the case where the actual playing field for any Member Club has been an average of 60 (Sixty) Nomads (Excluding visiting Nomads) or less for the preceding Club playing year. In this case the Member Club Executive Committee may at their discretion opt to have two handicap divisions for the subsequent Club playing year, namely:

'A' Division - up to 11

'B' Division – 12 to 25

2.1.2.1. In such cases there shall remain two divisions for the duration of the Club playing year regardless of whether the playing field during the current playing year exceeds 60 Nomads.

2.1.2.2. The divisional status shall be thus reviewed annually and reset for the subsequent year.

The Executive of each Member Club shall be at liberty, at their discretion, to adjust the handicap parameters of the aforementioned handicapping divisions and the par for the course on which monthly meetings are held (when it differs from the S.A.G.A. rating).

2.1.3. Handicaps shall be based on a par of 30 and shall be adjusted after each monthly meeting. In the event of a player scoring 2 above or below 30, no adjustment to his handicap shall be made, but for every two points or part thereof thereafter, his handicap shall be adjusted by 1 stroke with the proviso that at no time shall his handicap be adjusted upwards by more than two strokes.

2.1.4. A Nomads Base Handicap for a game shall be determined by multiplying his current Handicap Index by a factor to cater for an average SLOPE rating.

The factor for those playing off Normal Tees shall be 1.25 and for those playing off Forward Tees the factor shall be 1.07.

The number calculated shall be rounded to the nearest whole number (0.5 or higher going up).

2.1.5. In cases where a Member Club hosts an anniversary game within a monthly game in any particular year, the amount of divisions used for that particular game shall be the same as the amount of divisions determined in 2.1.2 above.

2.1.6. The handicap in respect of any Member who has missed the last 4 or more consecutive meetings shall be his last allocated Nomads handicap or that as adjusted in accordance with Rule 2.3 NON-NOMAD PLAYERS as hereunder, whichever is the lower. This rule shall be applied at any Nomads monthly game played by a Member whether said monthly game is at his home Nomads Club or played at another Nomads Club.

2.1.7. The handicap in respect of any Member who has missed the last 4 or more consecutive meetings because of valid medical reasons (surgery, treatment, etc.), and has not been proven to have played during that period, shall be his last allocated Nomads handicap, provided written notification and application of such medical leave of absence is received prior to the occurrence.

2.1.8. All scores at any Club Monthly Meeting shall be used to calculate the player's Nomads handicap. Such calculation is regardless of whether or not the player is playing a Make-up game.

2.2. GOLD CUP QUALIFIERS

Handicaps for Gold Cup qualifiers shall be arrived at by averaging the allocated handicaps from the previous six meetings and such handicap shall apply to the Gold Cup Competition only.

2.3. NON-NOMAD PLAYERS

A NON-NOMAD player's current club handicap shall be adjusted in accordance with the following scale:

Up to 6 handicap	-	minus 2

A player's starting handicap shall be determined approximately three weeks prior to the commencement of the National Tournament by averaging his last six allocated handicaps to the nearest whole number (0.5 goes up to 1) subject to a maximum handicap of two below his last published club handicap.

It shall be the Club Handicap Executive's responsibility to produce the starting handicap of his Club's Members entered for the National Tournament and to submit these together with the Member's corresponding club handicap, to the National Coordinator not less than two weeks prior to the commencement of the Tournament.

2.4.2. A player shall not play off a handicap greater than 25 or his current club handicap, whichever is the lower, subject to the maximum starting handicap as in 2.4.1 above.

4. INTERRUPTED OR CURTAILED PLAY

If, for any reason, in the opinion of the person or persons responsible (Match Secretary, Host Club Management such as Greenkeeper & Club Pro, National Tournament Coordinator, Deputised Person, etc.) it is deemed necessary to suspend play during a Nomads round then the position of the balls on the course must be marked by the players.

The signal to suspend play will be agreed beforehand as a siren or other audible device or by word of mouth from one fourball to the next.

Should it become possible to resume play on the same day the same signal will be used to indicate such resumption. Should it not become possible to resume play on that day then the responsible person or persons shall so inform the players.

If this suspension or abandonment results in some players not completing their round, the following procedures shall apply:

4.1.1. At a Monthly meeting;

If all players have completed at least three holes, the following formula shall apply:

$$\text{Players 18-hole score} = ((30 - a) * b/18) + a + c$$

where a = NOMAD handicap
b = Uncompleted Holes
c = Points scored on completed holes.

The 18-hole score as calculated shall be rounded to the nearest whole number (0.5 and greater going up to the next whole number).

4.1.2. At the Gold Cup meeting;

4.1.2.1. If all players have completed a minimum of 3 holes then the monthly meeting shall be deemed to stand and, where necessary, the formula in 4.1.1 above shall be applied.

The final standings in annual competitions culminating at that event, other than those depending purely on the score of the day alone shall also be calculated according to the same formula.

4.1.2.2. However, for the purposes of determining the scores for the annual competitions prescribed in Clauses 21.1 and 21.5 of the Nomads Constitution, that depend purely on the score of the day alone, all those competing for such Trophies must have completed a minimum of 9 holes before the formula in 4.1.1 above may be applied.

4.1.3. At a National Tournament;

If all players have completed at least three holes, the following formula shall apply:

$$\text{Players 18-hole score} = ((28 - a) * b/18) + a + c$$

where items a, b and c shall have the same meaning as in 4.1.1 above.

4.2. If the conditions of 4.1.2.2 above are not fulfilled then the competitions affected shall be competed for at the next meeting that a minimum of 9 holes have been completed by all those participating who have qualified to participate.

4.3. Except as allowed for in 4.2 above, should some players not have completed 3 holes then: -

4.3.1. At a Club meeting, the Club Executive will decide whether or not to count the curtailed meeting, postpone it or cancel it.

4.3.2. At a National Tournament for the –

4.3.2.1. Bert Hunt, National Individual Champion of Champions and Prometheus Trophies:

4.3.2.1.1. For the purpose of calculating the 18-hole score of those players who have completed at least 3 holes the formula as in 4.1.3 shall be applied.

4.3.2.1.2. Those players who were unable to complete three holes shall be awarded 28 points as their score for that round and this score shall be recorded against the appropriate Tournament Round in respect of that individual. Only actual completed rounds played will be counted towards the Bert Hunt Trophy.

4.3.2.2. National Eclectic Trophy:

4.3.2.2.1. Only scores actually achieved will apply - excluding any disregarded rounds above.

4.3.2.3. Ferneyhough Gold Salver

4.3.2.3.1. The last two rounds counted in 4.3.2.1 will apply.

4.3.2.4. Without in any way derogating from the a foregoing, the National Chairman, National Coordinator and National Senior Vice-Chairman, shall, acting as a body, be entitled in their entire and unfettered discretion, to cancel a complete round of the tournament at a National Tournament, irrespective of how many players have failed to start, started or completed that round, and irrespective of whether players have completed that round on a day other than the day upon which the decision to cancel the round is taken.

4.3.2.5. If at any meeting a Member or Members fails to complete a Nomads round for any reason not detailed in 4.3.2.1 and 4.3.2.2 above, only his handicap and the points scored up to the time he discontinued play will apply. The player will not be eligible for the prize for worst golfer.

4.3.2.6. Any player who has not completed his round at the time that play is officially interrupted shall remain available to recommence their round awaiting the final decision by the relevant persons as to whether play shall be resumed.

Should a player then, or previously, opt not to complete the round he is required to hand in a properly signed card recording his scores on the holes completed. Any player failing to hand in a signed card shall be disqualified irrespective of his score for the day or the number of holes he has completed.

Based on the above a player's handicap may be cut accordingly but he shall not be accorded any benefit of receiving shots on his handicap nor shall the player qualify for any prize awarded on the basis of the worst score achieved on the day.

Where a Club awards such prizes as worst drawn fourball, worst playing fourball, worst playing pair etc. those persons with whom he is drawn or paired shall likewise not qualify to win any such prizes.

The player's playing record shall be increased accordingly to reflect that that player had played that game.

There shall be no additional penalty applicable to the player's withdrawal unless any issues of a disciplinary nature are indicated".

11. ANNUAL 'GOLD CUP' COMPETITION

Eligibility

At a monthly meeting, in their respective divisions, the persons qualifying to compete in the Annual Gold Cup Competition must be home Club members each of whom is, as per the terms of the Constitution, in a category of membership which entitles them to compete in all annual competitions.

- 11.1. The highest scoring eligible home Club member of a division during the playing year at a monthly meeting shall automatically qualify for the annual 'Gold Cup' competition, as also, shall any other eligible home Club member who tied that score in the same meeting, but lost on a count-out.
- 11.2. In qualifying for the annual 'Gold Cup' competition, a member does so only in the division in which he qualified, and irrespective of the handicap division under which his current handicap may determine he plays at the Gold Cup Meeting. For example, a member may have qualified (or been counted out) for the 'B' division during the playing year, yet by the time the 'Gold Cup' Meeting is played his handicap may have been so adjusted as to place him in the 'A' division. He shall, therefore, compete for the 'B' Division 'Gold Cup'.
- 11.3. If during a playing year a Member shall have qualified for the Annual Gold Cup Competition by virtue of having been highest scoring eligible member (or been counted out) for the division in two different divisions, prior to the 'Gold Cup' meeting, he shall elect in which of the divisions he wishes to compete. A member shall compete in only one division for the 'Gold Cup'.
- 11.4. In the event of a tie the count-out shall follow the procedure as detailed in Rule 3.1 hereof.
- 11.5. Any Member who wins (or loses on a count-out) a division at a NOMADS Club other than that of which he is a Member shall not qualify for the annual 'Gold Cup' of that club. If such visiting Nomad wins a division (but not on a count-out) or wins on a count-out from another visiting Nomad then the home club Member or Members scoring the next highest score in that division shall qualify for the annual Gold Cup in that division.
- 11.6. Where a player who scores highest in a Division at a monthly meeting does not meet the eligibility criteria to qualify for the Annual Gold Cup Competition then that qualification shall pass to the home Club member (or members where a count-out situation pertains) who, at that meeting, scores highest in that Division whilst also meeting the eligibility criteria to compete in the Annual Gold Cup Competition.
- 11.7. In any 'Gold Cup' competition, qualifiers shall play off their average handicap in only the 'Gold Cup' competition itself [see Rule 2.2]. In all other competitions competed for on 'Gold Cup' Day the Member's current Nomad handicap shall apply.

- 11.8. The 'Gold Cup' shall be awarded to the winners only in each division and shall be held by them for a period of one year but shall at all times remain the sole property of the NOMADS Golf Club. There shall be no runners-up prize.
